Dear Stakeholder

We are writing to inform you that in line with the Admissions Code 2021, the Governing Body of Chosen Hill School is consulting on proposed changes to the school's admission arrangements for entrance in September 2028.

The consultation will run from **1 October 2026 until 13 November 2026**, during which time we welcome comments and feedback from parents, carers, local schools, community organisations and all other interested parties.

The Governing Body is proposing to:

1. Amend the school's catchment area to better reflect the communities served by the school and current patterns of attendance.
2. Increase the Published Admission Number (PAN) from 228 to 232 students in Year 7.

The proposed changes are intended to:

- Ensure that our admission arrangements continue to reflect the local community accurately.
- Provide greater clarity and fairness in allocating places.
- Increase capacity slightly to help meet demand for secondary school places within the area.
- Support the school's ongoing commitment to providing high-quality education for local families.

A copy of our proposed Admission Policy for entrance in September 2028, along with the map showing the proposed catchment area changes (*the highlighted area on the map shows the additional area we propose to include from September 2028*).

We welcome your views on these proposals. Comments should be submitted by **5.00 pm on Friday 13 November 2026** to pa@chosen-hill.gloucs.sch.uk

Following the close of the consultation period, the Governing Body will carefully consider all responses received before making a final decision on the admission arrangements.

Thank you for taking the time to consider these proposals. We value your feedback and encourage you to participate in the consultation process.

Yours faithfully

Matt Pauling
