Collection of Certificates Information

Summer 2026

Certificates for the Summer 2026 examination series will be available to collect from the school's Reception on

Friday 11th December 2026 2pm-4pm

If you are not able to collect your certificates yourself, please either email the name of the person collecting on your behalf to the Exams Office (details below) or give a letter/send a text to your nominee which they can show at Reception. Anyone collecting certificates on your behalf needs to know your date of birth for security purposes and must sign for the certificates.

Your certificates will be requested by educational establishments and employers throughout your life. **Your certificates are only held in school for 1 year only. After this time, you would have to contact the exam boards and pay £60 per exam board to get copies.** It is essential that your certificates are collected within this period to prevent unnecessary expense.

Exams Office: exams@chosen-hill.gloucs.sch.uk
