Bridging the Gap from Year 11 to Sixth Form

Bridging work Applied Science

Staff Name Mrs Evans

Staff Email se@chosen-hill.gloucs.sch.uk

Remember, as an independent learner you should still be taking notes and keeping your work in an organised fashion. Don't stop exploring ideas and additional themes around the topics, just because you now have set tasks that will be submitted for assessment.

The purpose of these Bridging tasks is to spark your continued interest in the subject, develop your knowledge and prepare you for a flying start in September, enjoy them!

Note the submission dates and method for every subject.

Skills	Compulsory Tasks	Outcome	Assessment method	Submission date	Feedback form
 	<p>Work through the GCSE transition work book for the first Biology, Chemistry and Physics topics</p> <p>AAQ Applied Science Bridging Workbook Combined Answer Key topic 1</p>	<p>This is a task that will help you make sure you have the foundation from GCSE to build on. It will allow you to make a reference guide you can refer to in your lessons.</p>	<p>Summary questions</p> <p>Email your work to se@chosen-hill.gloucs.sch.uk or bring a printed copy to your first lesson</p>	<p>First lesson in</p> <p>September</p>	<p>Written and/or verbal feedback</p> <p>from your teacher</p>
<p>Reading</p>  	<p>Optional task – Read the book 'Bad Science' by Ben Goldacre. There are copies in the school library or a second hand copy can easily be picked up Bad Science By Ben Goldacre World of Books GB</p> 	<p>You will improve your understanding of the scientific method and prepare from your F181 science in society module</p>	<p>No assessment as this is optional to help you grow.</p>
