Bridging the Gap from Year 11 to Sixth Form

Bridging work Chemistry

Miss Wheeler
ewh@chosen-hill.gloucs.sch.uk

Remember, as an independent learner you should still be taking notes and keeping your work in an organised fashion. Don't stop exploring ideas and additional themes around the topics, just because you now have set tasks that will be submitted for assessment.

The purpose of these Bridging tasks is to spark your continued interest in the subject, develop your knowledge and prepare you for a flying start in September, enjoy them!

Note the submission dates and method for every subject.

Skills	Compulsory Tasks	Outcome	Assessment method	Submission date	Feedback form
<p> Reading</p> <p> Internet Research Accurate writing Completing work by the deadline</p> <p></p>	<ol style="list-style-type: none"> Review of GCSE Content focusing on; mole calculations, atomic structure, bonding, energetics, rates and analytical Chemistry Chemistry of Magnesium reading comprehension. Try to answer all the questions. If you look anything up include your references at the bottom of your work Write 500 words on 'how Green is AI'. This should be typed up and use Harvard referencing. 	<p>Broaden your understanding of chemistry from GCSE. To give students the tools to problem solve as well as put chemistry into a real world context.</p>	<ol style="list-style-type: none"> A welcome to year 12 exam in the first two weeks of term. Date to be confirmed in first week Marked and feedback by Dr Walji Reviewed and feedback by Miss Wheeler 	<ol style="list-style-type: none"> See classcharts at beginning of term 5th September to Dr. Walji 5th September to Miss Wheeler 	<p>Written feedback and direction on reviewing challenging areas.</p>
